

AMPERE 2021

September 13-16, 2021, Online,

Exhibitor and Sponsor Opportunities

The 18th conference on Microwave and High Frequency Applications, AMPERE2021, will be a live digital online event organized by RISE and Chalmers. A Program and Information Booklet (PIB) will be set as a PDF file and all abstracts will be distributed digitally. The exhibition and sponsor opportunities are planned accordingly. All bookings made while planning for a physical event can be cancelled without any charge, while bookings for the digital event are final and non-refundable.

To indicate your interest in exhibition or sponsoring as described below, please contact the local organizers on ampere2021@meetx.se, with subject containing "Exhibition Ampere2021" or "Sponsor Ampere2021"

The cost is given in Swedish krona (SEK). The exchange rate is approximately 10 SEK/EUR, but the exact rate will be the exchange rate at the date of payment.

Important information regarding VAT and Reversed Charge

The fees are stated in SEK excluding Swedish VAT. Please note that delegates representing a company or organization from a country outside of Sweden are NOT required to pay Swedish VAT on the virtual conference registration fee.

Outside EU

If you are from a country outside of EU you can register without a VAT number.

Inside EU

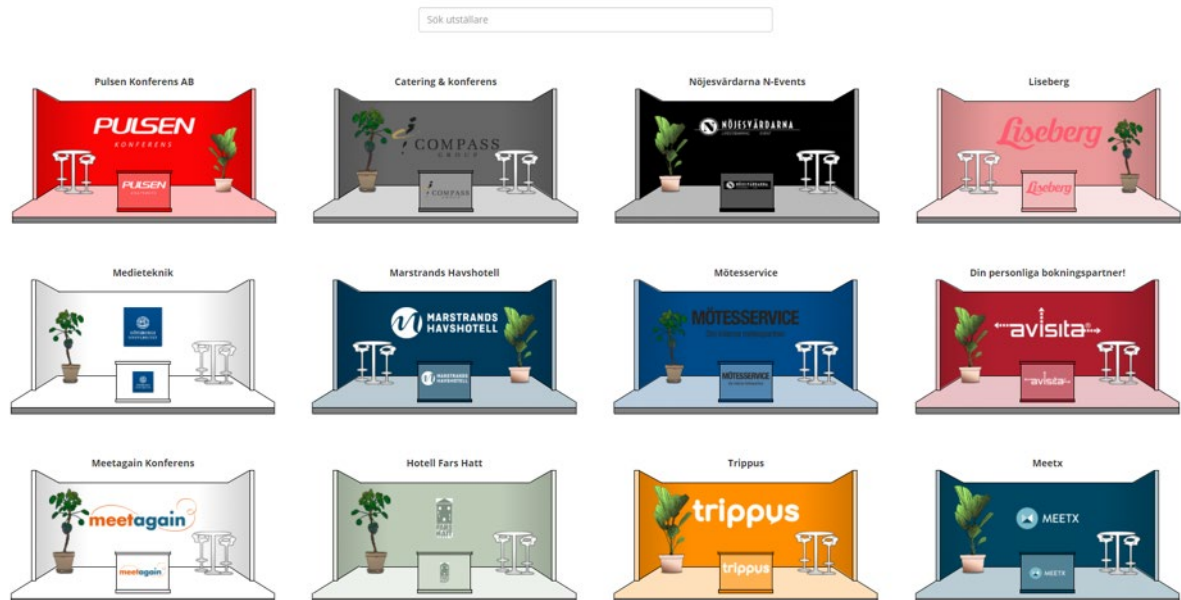

A valid VAT number is mandatory, otherwise VAT will be added to your registration fee. It is important that your number is stated exactly according to EU standards.

Delegates from Sweden and private persons

Delegates from Sweden and private persons are required to pay VAT on the registration fee (25%). You do not need to enter your VAT number at this stage

Exhibition

The exhibition area will be in the Trippus digital Foyer. This Foyer will be easily accessed from the conference entrance view and efforts will be made to encourage participants to visit. The booths can be designed with text, videos, and material for download. There will also be a calendar for the visitors to book meetings with you, or to leave their coordinates for you to contact them. There will be help available on how to make a great virtual exhibit, just contact us on the address below.
